MaxPreps has partnerships with USA Today, the National Football League, MSC Network and several major newspapers including The Los Angeles Times, Arizona Republic and Minneapolis Star Tribune.

MaxPreps provides the technology that allows your coaches to electronically send scores and stats to all your local newspapers with one click of the button, print their programs right off your team’s home page and have all their stats right at their fingertips – not just offensive but defensive and special teams as well.

All your coaches have to do is send in their roster. They can e-mail it to rosters@maxpreps.com, fax it to 1-866-886-6094 or input the rosters

online. The only other requirement is to input stats on a weekly basis. It only takes about 10 minutes and one of the assistants, the team mom or anyone can do it.

And best of all, it’s FREE!

In addition, MaxPreps does the following for Connecticut:

- Contributes to the Connecticut High School Coaches Association scholarship fund;
- Sponsors Mike Quick’s High School Sports Weekly on MSG;
- Will play a prominent role in next year’s All-Star game against Rhode Island.
